Quiz: test your knowledge of the EU’s long-term budget

The EU budget is all about working together to deliver improvements to the lives of Europeans. How much do you know about it? Try our quiz and find out.

EU funding supports a wide range of policies and programmes that bring added-value to EU citizens. The EU has both an annual budget and a long-term budget that spans at least five years. The aim of the long-term financial planning is to add more stability and predictability to the EU’s investment priorities.

So what exactly do you know about the EU budget? Test yourself with our quiz.
