Proposal for a

COUNCIL REGULATION

EXPLANATORY MEMORANDUM

(1) On 18 February 2002, the Council decided to impose restrictive measures in respect of Zimbabwe in response to the serious violations of human rights, including violations of the freedoms of opinion, association and peaceful assembly in that country (Common Position 2002/145/CFSP). In view of its continuing concern about the human rights situation in Zimbabwe, the Council has adopted Common Position 2004/161/CFSP to extend and amend the restrictive measures in respect of Zimbabwe. These measures were last extended by means of Common Position 2009/68/CFSP of 26 January 2009.

(2) Article 5(1) of Common Position 2004/161/CFSP stipulated that the freezing of funds and economic resources would apply to “individual members of the Government of Zimbabwe and any natural or legal persons, entities or bodies associated with them” as listed in the Annex to the Common Position. By means of Common Position 2008/632/CFSP of 31 July 2008 the Council broadened this scope by adding “any other natural or legal persons whose activities seriously undermine democracy, respect for human rights and the rule of law in Zimbabwe”.

(3) Regulation (EC) No 314/2004 concerning certain restrictive measures in respect of Zimbabwe implements the restrictive measures provided for in Common Position 2004/161/CFSP, to the extent that they fall within the scope of the Treaty establishing the European Community.

(4) The main purpose of this proposal is to align Regulation (EC) No 314/2004 with the amended Common Position 2004/161/CFSP.

(5) Decisions taken in respect of the Annex to Common Position 2004/161/CFSP state the individual and specific grounds for the listing of each natural or legal person, entity or body included in that list. The procedure proposed for amending the part of Annex III to Regulation (EC) No 314/2004 which covers natural or legal persons whose activities seriously undermine democracy, respect for human rights and the rule of law in Zimbabwe, and who are not linked to the governing regime of Zimbabwe, should include the publication of a notice on how to submit information in order to enable the persons, entities and bodies listed to exercise their right to be heard. Following the examination of any information submitted by a listed person, entity or body, the Commission should take a new decision in accordance with Regulation (EC) No 314/2004.

(6) In order to cover “any other natural or legal persons whose activities seriously undermine democracy, respect for human right and the rule of law in Zimbabwe”, the legal basis of the proposed Regulation must include Articles 60, 301 and 308 of the EC Treaty. Indeed, the European Court of Justice held, in its Judgment of 3 September 2008 in joined cases C-402/05 P and C-415/05 P, Yassin Abdullah Kadi and Al Barakaat International Foundation v. Council, that measures vis-à-vis “third countries” in the sense of Articles 60 and 301 of the EC Treaty include the freezing of funds and economic resources of the rulers of a third country and of individuals and entities associated with them or controlled, directly or indirectly, by them. These Articles did not provide a suitable legal base for the freezing of funds and economic resources of individuals and entities not having such a link to the governing regime of a third country. The Court of Justice accepted, however, that Articles 60, 301 and 308 of the
EC Treaty constitute a sufficient legal base for the freezing of funds and economic resources of such individuals and entities.

(7) A provision is proposed to provide clarity on the handling of classified information which may be provided in support of decisions taken in respect of the Annex to Common Position 2004/161/CFSP.

(8) Regulation (EC) No 45/2001 of the European Parliament and of the Council on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data, protects the right to privacy with respect to the processing of personal data. A provision is needed to provide clarity on the applicable rules for processing of personal data of listed individuals, and in particular for processing of data relating to offences, criminal convictions or security measures under Regulation (EC) No 314/2004.

(9) This proposal also comprises certain amendments of a technical nature, such as aligning the definition of funds and Article 13 on Community jurisdiction with the standard wording set out in the Guidelines on implementation and evaluation of restrictive measures (sanctions) in the framework of the EU Common Foreign and Security Policy (Council document 15114/05 of 2 December 2005).
Proposal for a

COUNCIL REGULATION

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Articles 60, 301 and 308 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament\(^3\),

After consulting the European Data Protection Supervisor,

Whereas:

(1) Regulation (EC) No 314/2004 of 19 February 2004 concerning certain restrictive measures in respect of Zimbabwe\(^4\) implements several restrictive measures provided for by Common Position 2004/161/CFSP, including the freezing of funds and economic resources of certain natural or legal persons, entities and bodies. It is necessary to align the scope of the freezing of funds and economic resources of Regulation (EC) No 314/2004 with Common Position 2004/161/CFSP as amended by Common Position 2008/632/CFSP.

(2) Decisions taken in respect of the Annex to Common Position 2004/161/CFSP state the individual and specific grounds for the listing of each listed natural or legal person, entity or body. The revised procedure for amending the part of Annex III to Regulation (EC) No 314/2004 which covers natural or legal persons whose activities seriously undermine democracy, respect for human rights and the rule of law in Zimbabwe, and who are not linked to the governing regime of Zimbabwe, should include the publication of a notice on how to submit information, in order to enable the listed persons, entities and bodies to exercise their right to be heard. Following the

examination of any information submitted, the Commission should take a new

(3) In order to implement Common Position 2004/161/CFSP, as amended, this Regulation
should provide for the freezing of funds and economic resources of natural and legal
persons, entities and bodies who are not linked to the governing regime of Zimbabwe.
In view of this, the legal basis of this Regulation should include not only Articles 60
and 301, but also Article 308 of the EC Treaty, in line with the case-law of the Court
of Justice.

(4) Provision should be made for dealing with classified information provided by the
Council or by a State.

(5) This Regulation respects the fundamental rights and observes the principles recognised
in particular by the Charter of Fundamental Rights of the European Union\(^5\) and
notably the right to an effective remedy and to a fair trial, the right to property and the
right to protection of personal data. This Regulation should be applied in accordance
with those rights and principles.

(6) The purpose of Regulation (EC) No 314/2004 is to bring about an end to the serious
violations of human rights in Zimbabwe by applying restrictive measures against the
Government of Zimbabwe, those who bear prime responsibility for and those who
commit such violations. In order to create maximum legal certainty within the
Community, the names and other relevant data with regard to natural or legal persons,
entities and bodies, whose funds and economic resources should be frozen in
accordance with Regulation (EC) No 314/2004, should be made publicly known.
Processing by the Commission of relevant data relating to criminal offences
committed by listed natural persons, and to criminal convictions or security measures
concerning such persons should be authorised subject to appropriate specific
safeguards.

(7) Any processing of personal data of natural persons under this Regulation should
respect Regulation (EC) No 45/2001 of the European Parliament and of the Council of
18 December 2000 on the protection of individuals with regard to the processing of
personal data by the Community institutions and bodies and on the free movement of
such data\(^6\) and Directive 95/46/EC of the European Parliament and of the Council of
24 October 1995 on the protection of individuals with regard to the processing of
personal data and on the free movement of such data\(^7\).

(8) It is appropriate to align certain parts of Regulation (EC) No 314/2004 with more
recent standard wording for Regulations on restrictive measures.

(9) Regulation (EC) No 314/2004 should therefore be amended accordingly,

\(^7\) OJ L 281, 23.11.1995, p. 31.
