Miscellaneous

Recital J should read:

J. whereas PESCO creates a binding framework between the pMS, which committed themselves to jointly investing, planning, developing and operating defence capabilities within the Union framework in a permanent and structured manner by subscribing to 20 binding commitments in five areas set by the TEU; whereas these commitments should constitute a move from mere defence cooperation towards full interoperability as well as the enhancement of Member States' defence forces through bilateral mutual beneficial partnerships; whereas these binding commitments are evaluated annually in the national implementation plans by the PESCO secretariat, which can be consulted by the participating Member States; whereas despite these binding commitments, no effective compliance mechanism for PESCO is in place; whereas PESCO projects should be implemented in a manner that reflects the industrial capacity, duplication concerns or budgetary constraints of pMS; whereas the compliance mechanism for PESCO should be improved;

Paragraph 1 –point af - point ii should read:

(ii) the fact that the decision-making process regarding the involvement of a third party should be taken at the level of each PESCO project;
