**Proposal for a directive**

**Article 1 - point 3**

Directive 2012/34/EU

Article 7 - paragraph 1 - subparagraph 1 a (new)

*Text proposed by the Commission*

*Amendment*

***Vertically integrated undertakings  
managing specific investment projects as  
referred to in Article 32(3) of this  
Directive which face direct competition  
from other modes of transport shall not be  
subject to the provisions of Articles 7 and  
7a to 7c.***

Or. fr

*Justification*

*This amendment, which is consistent with other provisions of Directive 2012/34/EU, seeks to exclude from the scope of Articles 7 and 7a to 7c 'specific investment projects' which are profitable only in the very long term.*
