Paragraph 5

Motion for a resolution

Amendment

5. Places high expectations on the work of the High-Level Group on Own Resources, which it believes offers a unique opportunity to overcome the current blockage of the reform of the system of own resources; welcomes the first meeting of the High-Level Group on 3 April 2014; expects that, despite the considerable and regrettable delay in organising this inaugural meeting, the High-Level Group will still comply with the objectives and the calendar set out in the joint declaration establishing the High-Level Group on Own Resources; *deleted*

Paragraph 3 a (new)

Motion for a resolution

Amendment

3a. Points out that the composition of the High-Level Group should take into consideration the outcome of the European Parliament elections next month, in terms of who will represent the European Parliament in this group; emphasises, furthermore, that all political groups in the European Parliament should have direct access to the meetings of the High-Level Group;

Paragraph 4 a (new)

Motion for a resolution

Amendment

4a. Recalls the lack of transparency in the way the political agreement on the MFF 2014-2020 was reached, and is concerned that similar problems might arise with the High-Level Group on Own Resources; insists that direct access to all information regarding the work carried out by the High-Level Group on Own Resources be made available immediately to all political groups in the European Parliament after each meeting;
