Future of EU visa policy

**Motion for a resolution**

**Paragraph 12 a (new)**

*Motion for a resolution*

*Amendment*

*12a. In this context, is of the opinion that a visa-free agreement between the EU and Ukraine is a way to respond to the calls of Ukrainian civil society and the students who demonstrated over the last few days; points out that such an agreement would step up exchanges and people-to-people contacts between the civil societies, thus increasing mutual understanding, and would benefit economic exchanges; calls on the Commission to present a proposal in order to put Ukraine on the list of third countries whose nationals are not subject to a visa requirement; also calls on the Member States to fully implement the current visa facilitation agreement in order to facilitate access to the EU, in particular for students and scientists;*
